5. Master or member of Master's Immediate Family has a Financial Interest in a party?  
The term "Financial Interest" according to Calif. Code of Civil Procedure § 170.5 means ownership of more than a 1% legal or equitable interest in a party, or a legal or equitable interest in a party of a fair market value in excess of \$1,500, or a relationship as director, advisor or other active participant in the affairs of a party except as follows: (1) Ownership in a mutual or common investment fund that holds securities is not a "financial interest" in those securities unless the judge participates in the management of the fund. (2) An office in an educational, religious, charitable, fraternal, or civic organization is not a "financial interest" in securities held by the organization. (3) The proprietary interest of a policyholder in a mutual insurance company, or a depositor in a mutual savings association, or a similar proprietary interest, is a "financial interest" in the organization only if the outcome of the proceeding could substantially affect the value of the interest. ( ) ( x )
6. Master or member of Master's Immediate Family has a financial interest in the subject matter of the hearing? ( ) ( x )
7. Master or member of Master's Immediate Family has an interest that could be substantially affected by the outcome of the hearing? ( ) ( x )
8. Is the Master a member of an organization that practices invidious discrimination on the basis of race, sex, religion, national origin, or sexual orientation? ( ) ( x )

Membership in a religious organization, official military organization of the United States, or a nonprofit youth organization need not be disclosed unless it would interfere with the Master's proper conduct of the proceeding or would cause a person aware of the fact to reasonably entertain a doubt concerning the Master's ability to act impartially.

9. Is there any other matter that:

- (A) Might cause a person aware of the facts to reasonably entertain a doubt that the Master would be able to be impartial? ( ) ( x )
- (B) Leads the proposed Master to believe there is a substantial doubt as to the Master's capacity to be impartial, including, but not limited to, bias or prejudice toward a party, lawyer, or law firm in the hearing? ( ) ( x )
- (C) Otherwise leads the Master to believe that the Master's disqualification will further the interests of justice? ( ) ( x )

10. Are there any constraints on the Master's availability known to the Master that will interfere with his or her ability to commence or complete the hearing in a timely manner? ( ) ( x )

11. Will the Master entertain offers of employment or new professional relationships in any capacity other than as a lawyer, expert witness, or consultant from a party, lawyer in the hearing, or lawyer or law firm that is currently associated in the private practice of law with a lawyer in the hearing while the hearing is pending, including offers to serve as a dispute resolution neutral in another case? ( x ) ( )

12. Does the Master have any current arrangement with a party concerning prospective employment or other compensated service as a dispute resolution neutral or is he or she participating in or, within the last two years, has he or she participated in discussions regarding such prospective employment or service with a party? ( X ) ( )

The Master is a full-time dispute resolution neutral, working exclusively through JAMS. You can assume that over the past two (2) years, the neutral or JAMS has been contacted by one or more of the attorneys in this case regarding prospective employment on another matter which may or may not have resulted in the Master's selection.

13. Has the Master sought information about relationships or other matters involving the Master's Immediate Family, Extended Family living in the Master's household, and former spouse? ( X ) ( )

Unless otherwise disclosed below, the Master has made a general inquiry of his or family members about their potential connection to matters that may be handled by the Master. Those family members have indicated they do not intend to provide the Master with specific information or answer specific inquiries. The Master will advise the parties of any connections of which the Master is independently aware by virtue of direct knowledge and will make specific inquiries where so warranted or specifically requested by a party. Otherwise, this satisfies disclosure requirements and constitutes a waiver of any further requirement to make specific inquiry of family members.

14. Does Master participate in social networking sites such as Facebook, Twitter, or LinkedIn? ( x ) ( )

If the Master marked this question, "Yes," it is possible that one of the lawyers or member of a law firm involved in this matter is in some way connected to the Master through this professional networking application. However, none of these contacts rises to the level of a prior business relationship that might cause a person aware of the facts to reasonably entertain a doubt that the Master would be able to be impartial, unless otherwise noted below.

15. Is the Master an owner panelist of JAMS?

( x ) ( )

JAMS has more than 400 neutrals on its panel, and approximately one third of JAMS neutrals have an ownership share in the company. Each owner holds one share and there are no outside shareholders. Owners are not privy to information regarding the number of cases or revenue related to cases assigned to other panelists. No shareholder's distribution exceeds 0.1% of JAMS total revenue in a given year. Shareholders are not informed about the extent to which their profit distributions may be impacted by any particular client, lawyer or law firm and shareholders do not receive credit for the creation or retention of customer relationships. Upon commencement of this matter JAMS served on all parties a report listing the numbers of cases JAMS has administered in the last five years involving any party, lawyer, or law firm in the present case.

**If the Master has answered "yes" to any of the above questions, except questions 11, 12, 13, or 15 the Master will explain below and/or see attached rider:**

Question #:      Explanation:

I am on Linked In

**Declarations of Master:**

1. Having been nominated or appointed as a Master, I have made a reasonable effort to inform myself of any matters that could cause a person aware of the facts to reasonably entertain a doubt that as the proposed Master I would be able to be impartial. In addition, I have disclosed all such matters to the parties.
2. I practice in association with JAMS. Each JAMS neutral, including me, has an economic interest in the overall financial success of JAMS. In addition, because of the nature and size of JAMS, the parties should assume that one or more of the other neutrals who practice with JAMS has participated in an arbitration, mediation or other dispute resolution proceeding with the parties, counsel or insurers in this case and may do so in the future.
3. My responses to the questions above are true and correct to the best of my knowledge.
4. Please note JAMS neutrals regularly engage in speaking engagements, CLEs, discussion groups and other professional activities, and it is possible that a party, company, lawyer or law firm connected with this proceeding either attended, participated or was on a panel with the Master.
